Welcome our New
Country Partnership
2024: Georgia**

Dear Colleagues,

We would like to invite you to the 6th SOAP Meeting State of the Art in Plastic Surgery to Bremen Capital City.

Reflecting on the outstanding and successful meeting 2023 with an enthusiastic and amazing faculty and participants we are glad to present you as in previous years the latest developments, innovative treatment methods and surgical techniques in Aesthetic Plastic Surgery and some new program innovations.

Over the years the SOAP congress has become one of the top important live surgery meetings in the field of Aesthetic Plastic Surgery worldwide, based on 10 live operations broadcasted from our operating theatres direct in the audience, you will be offered the unique opportunity to follow Facial Plastic Surgery, Body Contouring, Breast Surgery, and Reconstruction Surgery Procedures up close presented by national and international experts and you can interactively ask questions directly to the operating surgeons and discuss with them and other participants.

You will be able to observe new, and innovative methods in Plastic Aesthetic Surgical Procedures to improve your expertise and results in the future, as well as avoiding unnecessary complications.

In 2024 we have again organized for our participants two very special events. The first takes place the day before the congress and is our Pre-Congress: MASTER-CLASS Cadaver course with 6 Hands-On Live operations by the experts focusing on Facial Surgeries. The second one will take place on the last day of the congress and is our Post-Congress: Hands-On Workshops with

9 minimal invasive Aesthetic Plastic surgical armamentarium performed by international experts.

For more interdisciplinary we are proud to present you our "Operation Battle" and our "Future-Session Be Curious".

We are very much looking forward to welcoming you to Bremen for this very special meeting, you definitely don't want to miss.

Sincerely yours,

Prof. Dr. C. Can Cedidi
Congress President
